# Mambo ya Ardhi & Kazi Sehemu ya 1

---

Ushirikiano wa Jumuiya ungependa kukiri ya kwamba kwa sasa tunaishi katika maeneo ya jadi ya Watu wa Pwani wa Salish na Watu wengine wa Asili ambao waliishi kwa vizazi vingi na kuendelea kufutwa kwa utaratibu na sera na matendo yanayoondoa historia zao toka mahali hapa. Tunakiri na kuheshimu uhuru wa watu wa Asili katika Amerika ya Kaskazini na katika Wilaya za Visiwa vya Marekani kulingana na lugha zao, tamaduni na ardhi nasi sote tutafanya kazi pamoja ili kuweka kitovu cha ubinadamu wa Asili na juhudi zao zinazoendelea za kutafuta haki katika kusimamia afya na usawa wa jumuiya zao.

# Mambo ya Ardhi & Kazi Sehemu ya 2

---

Vilevile tungependa kukiri ya kuwa nchi hii imewezeshwa kuwa nchi na kazi ya Waafrika walofanywa watumwa na kizazi chao waloteseka sana katika hofu ya biashara haramu ya binadamu, utumwa, sharia ya Jim Crow, kifungo, ukatili wa polisi na matatizo mengi mengine tunayoyashuhudia hata zama hizi zetu katika hisia za kuwapinga Watu Weusi. Tunatambua historia ya jimbo la Washington kama inatambulikana itikadi ya ubaguzi wa rangi ya ukuu wa Wazungu. Matatizo haya yanaendelea katika hali halisi ya kisasa inayowapendelea Wazungu huku wakikandamiza jumuiya ya BIPOC. Tumejitolea kupaza sauti, matukio na historia za watu wa Kiasili na vizazi vya watu walofanywa watumwa na michango yao.

## OUR PRIORITIES AND VISION FOR TRANSFORMATIONAL HEALTH

### I. HEALTH AND WELLNESS

All Washingtonians have the opportunity to attain their full potential of physical, mental, and social health and well-being.

### II. HEALTH SYSTEMS AND WORKFORCE TRANSFORMATION

All Washingtonians are well served by a health ecosystem that is robust and responsive, while promoting transparency, equity, and trust.

### III. ENVIRONMENTAL HEALTH

All Washingtonians will thrive in a broad range of healthy environments — natural, built, and social.

### IV. EMERGENCY RESPONSE AND RESILIENCE

All Washington communities have the information and resources they need to build resilience in the face of myriad public health threats and are well-positioned to prepare for, respond to, and recover from emergencies and natural disasters.

### V. GLOBAL AND ONE HEALTH

All Washingtonians live in ever-connected environments that recognize and leverage the intersection of both global and domestic health as well as the connections of humans, animals, and the environment.

## Center for Independent Living

**What is a Center for Independent Living (CIL)?**

Centers are non-profit organizations which assists people with disabilities who want to increase personal freedom and live more independently. CILs are staffed by people with disabilities with in the communities they serve. They assist people with all types of disabilities.

**How Do CILs Assist People?**

CIL Services are peer driven – people with disabilities assisting other people with disabilities as mentors, and partners. Each Center is unique because it offers services based upon the particular needs of its community. At the same time, Centers are alike in that they all offer these services: Information and Referral, Peer Support, Individual and Community Advocacy, and Independent Living Skills Training.
